Who We Are

KDL is a Kuwaiti registered closed shareholding company (KSCC).

KDL is registered as a Grade One (International) Construction Company with the Kuwait Central Tenders Committee, a Grade One Project Management Company with the Kuwait Ministry of Planning and is ISO 9001-2000 certified by Lloyd's Register Quality Assurance from the United Kingdom.

Who We Are (Continued)

- Our name says it all! We are a Kuwaiti organization marked by continuous and productive activity and change.
- KDL was established in 1993 as a Joint Venture between General Dynamics Land Systems (GDLS) Corporation in the United States and a Kuwaiti Partner. In 2001, the Kuwaiti Partner purchased GDLS shares and KDL became a 100% Kuwaiti owned company.

Resources on Request

KDL is a privately-held Kuwaiti company and is a subsidiary of Action Group Holdings (AGH) (www.actionkuwait.com). AGH is a conglomerate which includes diversified companies such as hotels, travel agencies, health clubs, recruitment agencies, consulting services, educational institutions, franchises, oil and gas services, batching plants, investments, and various real estate holdings in Kuwait and abroad.

- Construction Management
- Program/Project Management
- Defense Support
- Logistics Support
- Operation and Maintenance
- Procurement
- Human Resources
- Training
- Personnel Support
- Information Technology
- Heavy Equipment Maintenance

What We Do

Areas of Expertise

In-Region Experience with International Knowledge

The Region is undergoing historic change. KDL is the right choice as we have “on-the-ground” experience, know the culture, and are partnered with local and international organizations to get the job done in a timely and comprehensive manner.

Full-Spectrum Service Provider

KDL can provide the full spectrum of services - from construction, recruitment, personnel administration and support, accommodation and/or mancamps - to project management and demobilization. We have worked with both governmental/military entities and private sector clients.

Capabilities

Kuwait Dynamics has experience in a wide range of services

Defense

Since 1993, KDL has provided various defense-related services to the US, British, and Kuwaiti militaries including design, construction, training, maintenance, management and support.

Construction

Since 1995, KDL provides residential, commercial, portable cabins and modular units and construction support services in the GCC region and Iraq. KDL's Construction Management philosophy follows the principles of construction management as outlined by the Construction Management Association of America (CMAA). Safety is always our #1 concern with a zero accident policy.

Logistics Support

KDL provides Support Services to international companies - Western employees and TCNs - in support of their projects in Kuwait and the Gulf. Our services include: Sponsorship Services, Full Package Services for Accommodation Camps, Leasing of Vehicles and Equipment (from cars to construction equipment), and Supplemental Services (including IT & communications, water supply, shuttle transportation, fully equipped tents, etc.)

A complete listing of any of our projects with references and contract values is available upon request.
